dc: double crochet
hdc: half double crochet
sc: single crochet
st: stitch

Step by Step and Instructions:

Step 1: Start with a Magic Ring

Begin by creating a magic ring. To do this, make a loop with your yarn, leaving a tail, and insert your hook through the loop. Pull up a loop and chain 3 (this counts as your first double crochet). Work two more double crochets into the ring, then chain 2. This forms the first corner of your granny square.

Step 2: Create the Heart Shape

To form the heart shape, you will crochet into the center of the magic ring. Follow these steps:

Make a treble crochet (tr) into the ring. To make a treble crochet, yarn over twice, insert your hook into the ring, yarn over and pull up a loop (4 loops on your hook). Yarn over and pull through the first two loops (3 loops remaining). Yarn over and pull through the next two loops (2 loops remaining). Yarn over and pull through the last two loops.

Next, make a double crochet (dc) into the ring.

Chain 1.

Make another double crochet (dc) into the ring.

Make a treble crochet (tr) into the ring.

Step 3: Complete the First Corner

Now, continue working on the first corner by chaining 2 and making three double crochets (3dc)

into the magic ring. This completes the first corner of your Crochet Heart Granny Square.

Step 4: Repeat the Heart Design

To create the other half of the heart, repeat the heart shape pattern as follows:

Make a treble crochet (tr) into the ring.

Make a double crochet (dc) into the ring.

Chain 1.

Make another double crochet (dc) into the ring.

Make a treble crochet (tr) into the ring.

Step 5: Finish the Granny Square

To complete your Crochet Heart Granny Square, chain 2 and join with a slip stitch to the top of the initial chain-3 made in Step 1. Fasten off, leaving a tail for weaving in.

Step 6: Weave in Ends

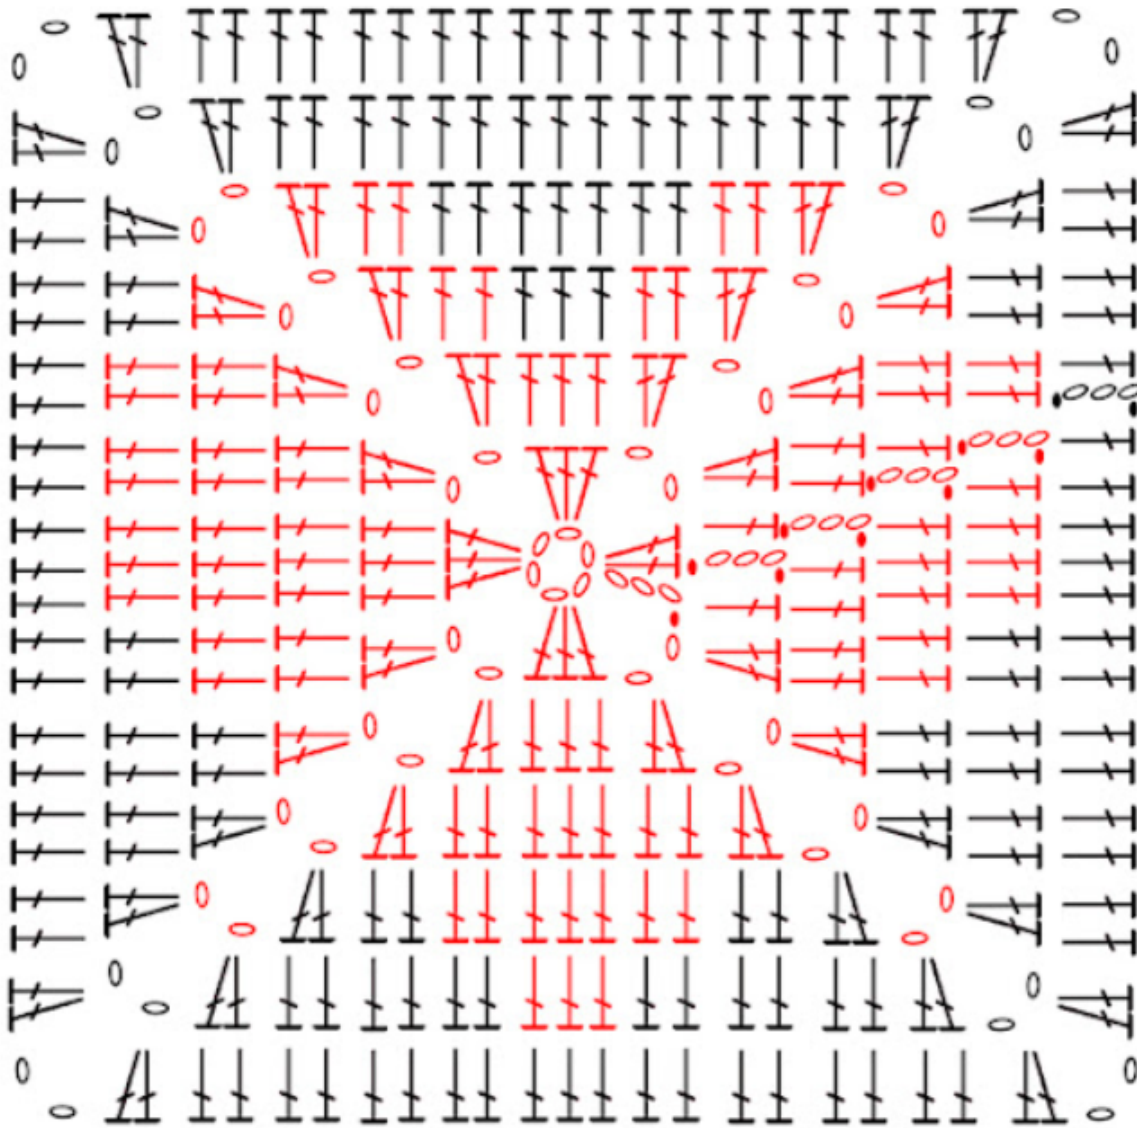

Weave in all loose ends using a yarn needle to secure the yarn.

Step 7: Create Additional Granny Squares

To make a blanket or other projects, create more Crochet Heart Granny Squares. You can choose different colors or stick to a uniform color scheme, depending on your preference.

Step 8: Assemble Your Project

Once you've made the desired number of Crochet Heart Granny Squares, arrange them in your preferred pattern and join them together using slip stitches or another joining method. You can add a border to your project to give it a polished look.
