

## Granny Flower Coasters Free Pattern

In the realm of crafting and home decor, there's an enduring fascination with handcrafted pieces that exude warmth, individuality, and a touch of nostalgia. One exquisite creation that perfectly encapsulates these qualities is the Granny Flower Coaster.

Crafted through the artistry of crocheting or knitting, Granny Flower Coasters have attracted a dedicated following among craft enthusiasts of all skill levels. The "Granny" in its name pays homage to the timeless and traditional essence of these coasters, evoking the kind of handicraft that might have been lovingly created by grandmothers in bygone eras.

The "Flower" component of its name alludes to the opulent floral patterns adorning the coaster's surface, infusing it with a sense of grace and femininity.

## Granny Flower Coasters Pattern

Now, let's delve into the pattern itself. These instructions will walk you through the creation of a Granny Flower Coaster. You have the creative freedom to craft as many as you'd like, using different colors to complement your decor.

I personally prefer to substitute the initial ch3 in each round with a chainless double crochet, but you can choose to use the traditional ch3 if you prefer.

Begin by making a ch4 and joining it with a slip stitch to form a ring.

*Round 1:* Ch3 (counting as a double crochet), work 11 double crochets into the ring, then join with a slip stitch to the top of the initial ch3. (12 double crochets)

Round 1

*Round 2:* Join a new color in any space between the stitches. Ch3, work a double crochet in the same space, and then [work 2 double crochets in the next space], repeating this pattern all the way around. Finally, join with a slip stitch to the top of the initial ch3. (24 double crochets)

Round 2

*Round 3:* Join a new color in any space between groups of stitches, ch3, work 2 double crochets in the same space, [and then work 3 double crochets] in the next space. Continue this pattern around, and join with a slip stitch to the top of the initial ch3. (36 double crochets)

Round 3

*Round 4:* Join a new color in any space between groups of stitches, ch3, work 2 double crochets in the same space, then ch1. Next, [work 3 double crochets in the next space, ch1], repeating this pattern around. Finally, join with a slip stitch to the top of the initial ch3. (36 double crochets and 12 ch1 spaces)

Round 4

*Round 5:* Join a new color in any space, make a ch1 (which does not count as a stitch), work 2 single crochets in the same space, then single crochet in every stitch, and work 2 single crochets in every space. Finally, join with a slip stitch to the starting single crochet. (60 single crochets)

Round 5

After completing this round, fasten off your work and weave in the loose ends.

## Conclusion

The Granny Flower Coasters It's not just a crochet accessory for your home, it's a beautiful pattern that not only has great uses but will make you further develop your crochet techniques.
